Medical Facial for Rosacea!

ROSA-C3 Treatment

The **ROSA-C³** professional treatment is indicated for all, men and women with sensitive skin, prone to redness and flushing.

ROSA-C³ professional treatments:

- **significantly reduce redness in intensity and size**
- **diminish the number and size of visible micro-vessels**
 - **reduce burning sensations and tightness**
- **prevent typical signs of these skin types from getting worse**
- **instantly soothe irritation and frequent sensations of warmth**
- **provide immediate comfort and relief**

**NO REASON TO BLUSH
ANYMORE...**
