

**GET PAMPERED AND RENEWED  
AND/OR GIVE THE PERFECT GIFT FOR  
YOUR FAMILY AND/OR FRIENDS!**

**HYDRASCIENCE AHD3 FACIAL**

A truly spectacular breakthrough in cutaneous hydration. It releases its exceptional properties right at the heart of cells where optimal hydration occurs, by re-energizing the natural hydrating mechanisms weakened by age, environmental and climate stresses.

---

---

**RADIANCE - MEDICAL FACIAL**

Radiance is a new generation of skin lightening which combines the positive effects of various plant extracts with Vitamin C, while avoiding the negative effects of traditional methods. It is especially designed to obtain a real depigmentation and also for the general purpose of brightening the complexion and giving it luminosity.
