

## Specialized Medical Facials/Treatments

### 1 PURE Anti-aging \$130

A revolutionary cosmetic alternative to injectors. Featuring Kronoxyl with complementary active ingredients, Pure is a complete anti-aging botox-like treatment that reduces the signs of fine lines, wrinkles and expression lines.

### 2 ExCellence Thermo-Sculpt, The "Hollywood Secret" \$130

This lifting and remodelling treatment is inspired by dermo-aesthetic rejuvenation techniques to gradually tighten, firm, and tone the skin. It strengthens the deeper layers of the skin to counteract sagging and resculpts facial contours.

### 3 HydraScience AHD \$90

A truly amazing breakthrough in skin hydration. This treatment releases its exceptional properties at the heart of cells where optimal hydration occurs, by re-energizing the natural hydrating mechanisms weakened by age, environmental and climate stresses. Try it for dry, dull skin!

### 4 Rosa-C3 \$99

Created for men and women with vaso-reactive skin, and rosacea. This treatment significantly reduces redness and diminishes the number and size of visible micro-vessels. It instantly soothes and helps control the manifestations of rosacea.

### 5 Radiance \$110

Radiance is a new generation of skin lightening treatment which combines the positive effect of various plant extracts with Vitamin C, while avoiding the negative effects of traditional methods. It is especially designed to reduce pigmentation and brighten the complexion.

## Laser Treatments

### The Photofacial

Using the selective energy of Intense Pulsed Light, the photofacial will remove unwanted pigmentation, facial veins and redness leaving the skin with more even tone and colour, in just a few treatments. With no down-time, nothing works as efficiently as this popular photo-rejuvenation technology to improve sun-damaged skin. (Please note: this treatment will not remove melasma, moles, or sebaceous plaques and outgrowths of skin.)

Full face ..... **\$300./trt**  
 Lower face ..... **\$250./trt**  
 Spot trt..... **from \$75.**

### Fractional Laser Skin Remodelling *New!*

Fractional Laser can improve the appearance of: Age spots, wrinkles, surgical scars, acne scars, stretch marks and skin texture. The laser's microbeams of energy are used to stimulate the body's natural healing process to create new, healthy tissue to replace areas of damaged, aged skin to produce smoother, tighter skin. The treatments are well-tolerated, fast, with no down-time in most cases. It is safe for almost all skin types and a series of treatments is necessary to see good results. Consultation with our laser medical aesthetician is advised to determine the fee and no. of treatments.

Treatment..... **from \$299.**

### Laser Hair Removal

Experience the freedom from shaving and waxing! Laser hair removal is the modern way to permanently reduce the growth of unwanted hair, leaving smooth clean skin. Our state-of-the-art equipment delivers pulses of intense light into the hair follicles, causing them to heat up and disables the cells responsible for growing hair. Fast and easy, 5-10 treatments are generally required to get excellent results. Call for a consultation!

See our insert for fee schedule...

Discount packages are available when you prepay for treatments!

## BOTOX® & Filler Injections

\*All cosmetic injections are performed by licensed medical professionals. Consultations are free.

## Medical Facials and Peels

### Clear Up Facial **\$90**

This facial is the newest therapy for treating oily, comedonal and acneic skin. These highly effective ingredients are designed to eliminate acne lesions, reduce inflammation and matify the complexion without compromising the integrity of the skin. Great for teens and adults.

### Deep Cleansing Facial **\$85**

This basic facial is a "must" suitable for all skin types. The skin is cleansed and exfoliated removing toxins and impurities through manual and technical procedures. A mixture of botanical extracts and vitamins are applied using relaxing massage techniques finishing with a mask that will leave your skin looking radiant and refreshed.

### Microdermabrasion Facial **\$85**

- With customized mask and serums **\$99**
- With customized mask and facial massage **\$125**

A stimulating medical facial that exfoliates using mild suction and micro-crystalline spray to remove dull, surface dead skin revealing younger, softer skin beneath. Great for reducing pore size and toning the skin.

### Enzymatic Cocoa Peel with Microdermabrasion **\$110**

A safe and effective rejuvenating treatment in conjunction with microdermabrasion that offers soothing, calming, detoxifying, anti-inflammatory and anti-bacterial properties. Tightens pores, minimizes redness and helps clear breakouts.

### Chemical Peels **from \$99**

This method of skin renewal has been proven effective for many centuries and is still popular today. Modern day peel solutions have many active exfoliating agents and natural anti-oxidant, rejuvenating ingredients to gently resurface your skin. Great for treating early fine wrinkles, large pores, pigmentation and other skin imperfections not suitable for laser. Our highly experienced medical aesthetician will assess your skin to determine which peel is right for your needs.

### Beautifying Eye Care **\$30**

This professional treatment helps reduce and prevent signs of aging around the eyes – fine lines, wrinkles, dark circles and puffiness. The formulation consists of specially selected biocompatible active ingredients which reinforce and protect the extremely delicate skin around the eyes.

### Acne Blue Light Facial and Peel **\$125**

This unique combination of Blue Light therapy with deep cleansing and soothing exfoliating peel is ideal to control those sudden flare-ups of acne-prone skin. The antibacterial effects of the blue light and chemical exfoliation helps to remove comedones, sebum and destroys the P. Acne bacteria that are responsible for acne.
